O&O Varastomallisto

Orac Decor | Kauneuden ja käytännöllisyyden saumaton liitto

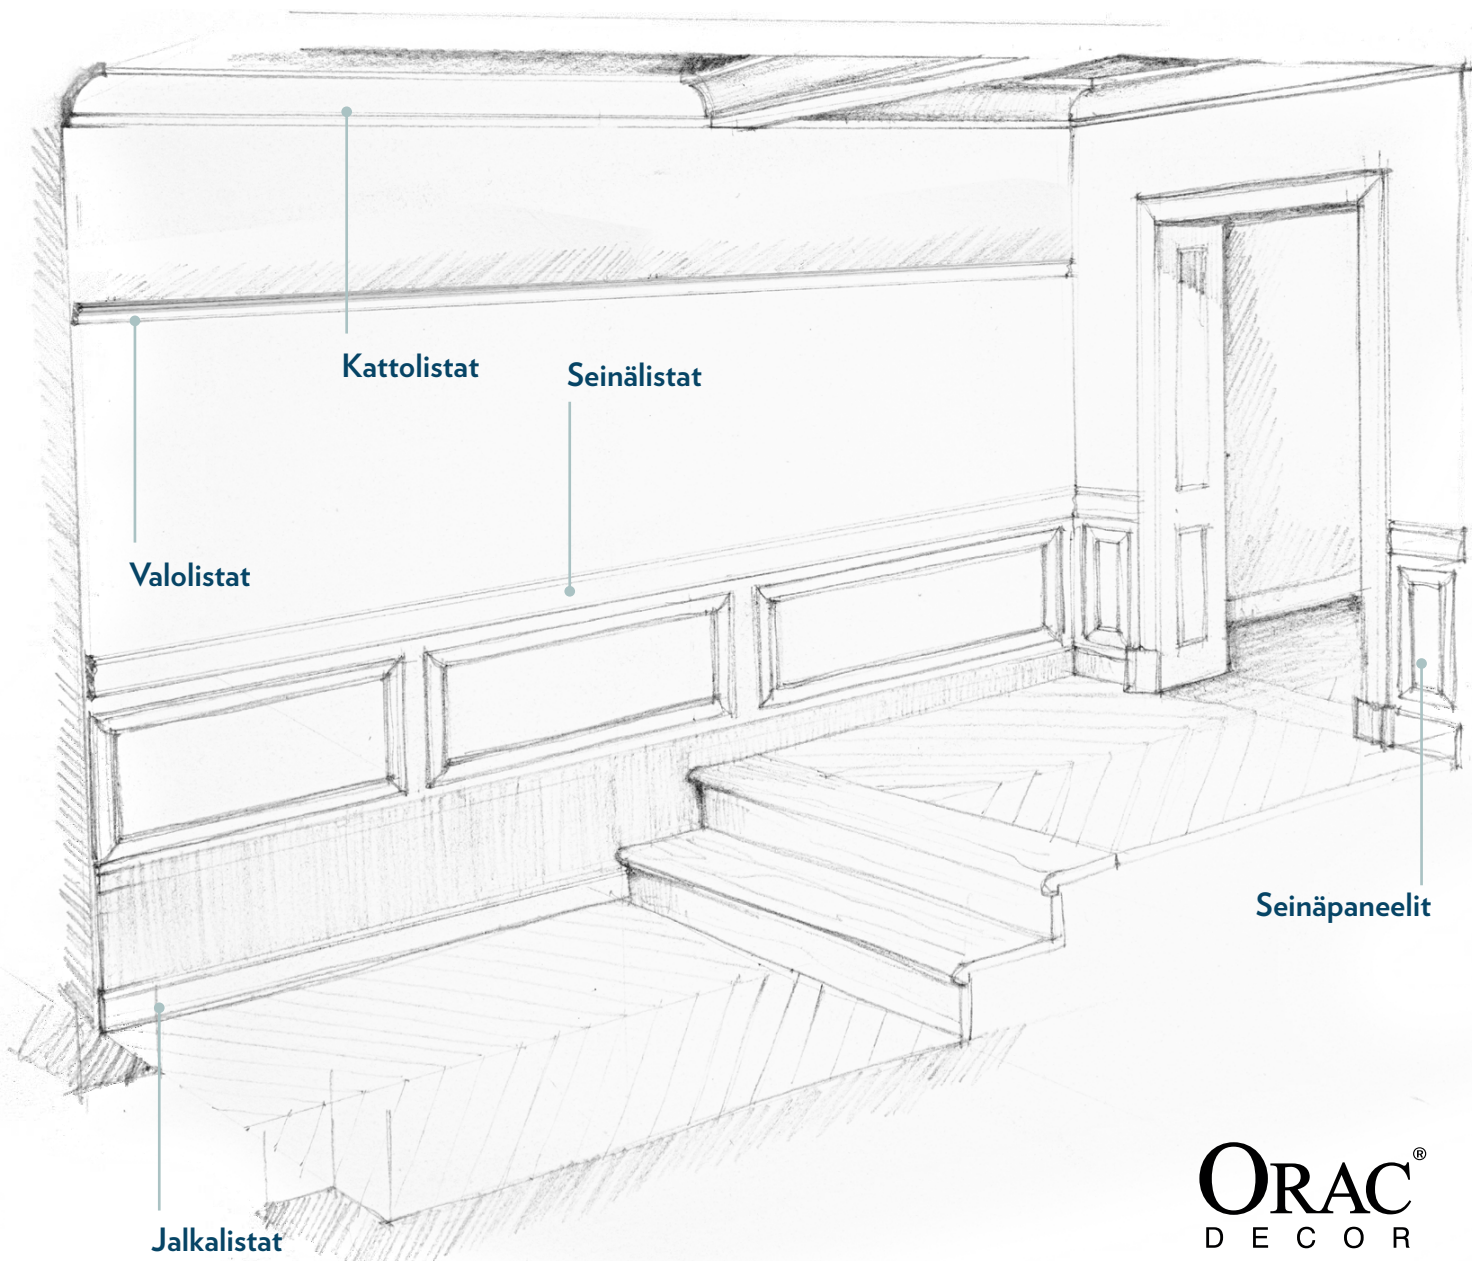

Orac Decor -listat saavat seinäpinnat heräämään henkiin. Niiden avulla voi korostaa, peittää, viimeistellä tai yllättää – lähes kaikki on mahdollista!

Perinteisiä, moderneja, rohkeita, maltillisia... Monipuolinen Orac Decor -mallisto sisältää listoja eri käyttötarkoituksiin ja tyyliin. Valikoima kattaa katto-, seinä-, jalka- ja valolistat, seinäpaneelit sekä 3D-sisustuselementit.

Listat ovat tärkeä osa sisustusta: ne viimeistelevät huoneen, korostavat yksityiskohtia ja peittävät rajakohdat pintojen vaihtuessa.

Orac Decor -listat ovat maalattavissa tyyliin sopiviksi ja ne voidaan asentaa täysin saumattomiksi. Saumaton asennus mahdollistaa viimeistellyn ilmeen. Listat ovat vedenkestäviä, joten ne sopivat myös kosteisiin tiloihin.

Orac Decor -listat ovat helppoja ja kevyitä asentaa, sillä ne valmistetaan kestävästä ja laadukkaasta polyuretaanisekoitteesta. Listat valmistetaan vastuullisesti Euroopassa.
